DARK SILVER ran a good race when second over 1600m on this course last time. He took the lead at the 400m mark, before getting outrun late by Bacchus. It must be noted that the horse that finished fourth that day has come out and won since. He will strip a much fitter horse and with a bit of luck from the widest draw, he can go one better. COPPER MIST has fair recent form lines to his name. It must be noted that Doitwithdiamonds has come out and won again since. Gavin Lerena retains the ride which is encouraging. DIWALI ROCKET won his last start at a nice price over 1800m at Turffontein. He has won his only attempt over this distance. He jumps from a good draw of four and can follow up. PROFESSOR SNAPE'S last two starts have been fair. The son of William Longsword takes a drop in class and from pole position, he can improve to finish in the placings.
