RODEO DRIVE was an easy winner of her last start over 1160m at Turffontein. She produced an eye-catching penultimate effort when second in the Grade 1 Allan Robertson Championship. The daughter of The United States has class about her and if not too green around the turn, she should be hard to beat. JUST RECKLESS was not disgraced when fourth in the Grade 2 Zulu Kingdom Explorer Golden Slipper last time. She cost herself winning the Grade 1 Allan Robertson Championship in her penultimate start. The daughter of Gimmethagreenlight gets the blinkers fitted for the first time which should keep her mind on the task at hand. SIMPLY MAJESTIC showed good speed when winning her last start over 1000m on the Turffontein inside course. It must be noted that the horse that finished second that day has come out and won since. She steps up to 1200m for the first time and if seeing out the extra distance on offer, she may be hard to peg back. LITTLE BALLERINA is much better than her last start. She has won twice and finished third once from as many starts over this distance. She is drawn well in barrier four and cannot be ignored.
