BJORN IRONSIDE received a bump leaving the start last time. He challenged strongly all the way to the line that day but found one too good in the form of Pistol Pete. The son of Gimmethegreenlight has had the experience of racing on this course. He is a horse with ability and if all went well with his travels, he should find himself in the winner's enclosure. CATS PAJAMAS stayed on when third in the Grade 2 Durban Golden Horseshoe last time. He gets the blinkers re-fitted as he drops back in trip. If not too far out of his ground turning for home, he should be involved at the finish. DANTONFROMSANDTON ran on well when winning the Non-Black Type Camargue Stud KZN Breeders Juvenile Plate last time. The fitting of the blinkers has done the trick. Richard Fourie retains the ride and he can bring up the hat-trick. CHOCOLATE SOLDIER was given a peach of a ride when winning his last start over 1000m on the polytrack. He is ideally at his best over shorter but the son of One World is in a good space and he should give another good account of himself.
